I. PROFESSIONAL NEGOTIATIONS AGREEMENT

A. RECOGNITION

1. The Board of Education of the Winfield School District #34 recognizes the Winfield Teachers' Association of this District which enrolls the majority of the certified staff of the Winfield Public Schools as the exclusive and sole negotiation agent for the members of the Association who are regularly employed certified personnel. Membership rolls shall be made available to the Superintendent by October 1 of each school year.
2. It is further recognized that the Teachers have the right to join or not to join any organization for their professional or economic improvement and that membership in any organization shall not be required as a condition of employment.
3. Pursuant to Section II of the Illinois Educational Labor Relations Act effective January 1, 1984, the parties agree that effective August 31, 1984, if the Winfield Teachers' Association has a majority of the District's teachers as Association members, as verified by the Superintendent's office through the calculation of employees making dues deductions or other mutually agreed upon method of verification, non-member teachers in the union shall be required to pay their proportionate share of the cost of the collective bargaining process, contract administration, and/or pursuing matters affecting wages, hours and other conditions of employment, but not to exceed the amount of dues uniformly required of members. Such proportionate share, once certified by the exclusive negotiation agent, the Winfield Teacher's Association, shall be deducted from the employee's pay check. Such fair share provision shall remain in effect for the duration of the labor agreement or until it can be demonstrated to the Board of Education that fewer than a majority of employees are members of the Winfield Teacher's Association.

Any non-association employee who can demonstrate to the Board of Education a bona fide religious tenant or teaching of a church or religious body of which such employee is a member which forbids such employee from participation in an association of employees, shall pay an amount equal to their proportionate share, as determined in this agreement, to a non-religious charitable organization mutually agreed upon by said employee and the Winfield Teacher's Association. If no such agreement can be reached, application shall be made to the Illinois Educational Labor Relations Board for an approved list of charitable organizations to which such payments may be made.

4. The term "Teacher" as used hereafter in this Agreement shall refer to certified teachers under contract with the Board of Education, District #34.

5. The Board agrees not to negotiate with any Teachers' organization other than the Association for the duration of this Agreement. Further, the Board agrees not to negotiate with any Association member individually during the duration of this Agreement on matters subject to negotiations. The intent of this clause is not to abrogate the Board's legal right to issue individual contracts.

B. PROFESSIONAL PROCEDURAL AGREEMENT

1. The Board and the Association agree to participate in good faith negotiations through their duly designated representatives. Both parties agree that it is their mutual responsibility to meet at reasonable times and negotiate in good faith with respect to salaries, fringe benefits, conditions of employment, grievance procedures, the Professional Negotiations Agreement, and other mutually agreed upon matters.
2. Both parties agree that it is their mutual responsibility to appoint representatives who will make proposals, consider proposals, make counter-proposals in the course of negotiations, and seek to reach tentative agreements which shall be presented respectively to the Board and the Association for ratification. If either party chooses to propose changes in existing contract, such changes will be presented in the first two negotiating sessions. After the second negotiating session, no further items may be proposed.
3. When the committees reach tentative agreement on any matter being negotiated the item will be reduced to writing and initialed by both parties.
4. When the committees reach tentative agreement on all matters being negotiated, the items will be reduced to writing and shall be submitted to the membership of the Association for ratification and to the Board for official approval.
5. Negotiations shall begin no later than March 15 unless both parties agree to an alternate date. Meetings shall be held as necessary at times and places agreed to by both parties.
6. If agreement is not reached within ninety (90) days of the commencement of negotiations, either party may declare to the other in writing that an impasse exists and call for a mediator.
7. When an impasse has been declared, parties shall have ten (10) calendar days to agree on a mediator. If agreement is not reached, the Federal Mediation and Conciliation Service shall be requested by the parties to

appoint a mediator from its staff. The mediator shall meet with the parties or their representatives, or both, forthwith, either jointly or separately, and shall take such steps that he/she may deem appropriate to persuade the parties to resolve their differences and effect a mutually acceptable agreement. The mediator shall not, without the consent of both parties, make findings of fact or recommend terms of settlement.

8. Should negotiations extend beyond August 25, Teachers shall commence the new school year under terms of the Agreement of the previous year.
9. During the term of this Agreement, the Association, and/or any member(s) of the bargaining unit agree not to strike, engage in, or support or encourage any concerted refusal to render full and complete services to the school district.
10. In the event of any violation of any provision of Section 9 above by the Association, its members or representatives, or by any employee:
 - a. Any violating employee shall be subject to discipline or termination as determined appropriate by the Board, pursuant to the provisions of the School Code.

At no time shall such equipment be removed from the premises for such use. Paper and all duplicating materials/supplies will be provided by the Association.
2. A Teacher shall be excused for Association leave without loss of salary provided the following conditions are met:

The Teacher may respond in writing to the complaint and the manner in which it was resolved.
3. If Teacher involvement is deemed to be necessary, the parent will be given a form to submit in writing the complaint and a request for a meeting with the Teacher. The Teacher has two working days following the receipt of the form to contact the parent and arrange the meeting.

4. The Administrator may sit in on the meeting if he/she feels it is necessary or if the Teacher requests his/her participation.
5. Written advice of the resolution will be filed by the Teacher within two working days after the meeting.
6. No matter of record relative to a parent complaint shall become a part of a Teacher's personnel file unless the disciplinary action bears upon the job security of the Teacher, in which case, the full report on record shall be made available to the Teacher as supporting documentation.

I. RETIREMENT

1. Teachers will have the option of electing the Board retirement enhancement stated below or any state mandated retirement incentive but not both.

Teachers employed by the district as a teacher in a full-time capacity for seventeen (17) or the full time equivalency of seventeen (17) years prior to retiring shall have their total TRS creditable compensation increased by up to 6% a year for each of their final years of service, up to a maximum of four years, if they provide an irrevocable letter of resignation and retirement by June 1 of the school year prior to their initial receipt of benefits under this program. This enhancement is not available to teachers who retire pursuant to a state program that requires the Board to make a contribution or payment to TRS. This amount shall be in lieu of all step and lane movement, as well as any payments or stipends, excluding specific exceptions identified by law.

Participating employees are required to serve at the same level of duties for each year. In the event that a Teacher does not continue to perform the same duties, his/her pay shall be reduced by the amount of pay awarded for those duties. However, in the event that a Teacher has been removed from those duties, as a result of the District's discontinuation of the activity, the District shall make a good faith effort to assign the Teacher replacement duties in order to avoid such a reduction.

A teacher may rescind the irrevocable notice under the following circumstances:

- A. The death of a spouse.
- B. A life threatening illness as certified by a physician.
- C. Some other unforeseen and life altering event. The decision to grant this exception shall be at the sole discretion of the Board, shall not be

precedential, shall not create a past practice and shall not be subject to the grievance process.

In the event the teacher rescinds the notice of retirement, he/she shall repay the difference between what the enhancement was and what he/she would have received on the salary schedule. The amount of repayment shall be withheld over the first 6 pay periods after notice of rescission.

For the first year of this Agreement only, employees may give irrevocable notice of their retirement no later than August 1, 2011.

2. Each employee who becomes retired during the term of this collective bargaining agreement may purchase group health insurance coverage for the term of this collective bargaining agreement at no cost to the District if available by the District's insurance carrier. The terms of the health insurance coverage may vary throughout the term of the collective bargaining agreement as determined by the Board.

The time limits, however, may be extended by mutual agreement.

6. 1. FIRST STEP

If the complaint cannot be resolved informally, the aggrieved party shall file the grievance in writing and, at a mutually agreeable time, discuss the matter with the Principal. If the immediate supervisor is the Superintendent, Steps 1 and 2 may be combined in the procedure. The written grievance shall state the nature of the grievance, that it is a grievance, shall note the specific clause or clauses of the Agreement allegedly violated, and shall state the remedy requested. The filing of the formal, written grievance at the first step must be within twelve (12) business days from the date of the occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievances and communicate it in writing to the party and the Superintendent within twelve (12) business days after receipt of the grievance.

2. SECOND STEP

In the event a grievance has not been satisfactorily resolved at the First Step, the aggrieved Teacher may file, within seven (7) business days of the Principal's written decision at the First Step, a copy of the grievance with the Superintendent. Within twelve (12) business days after such written grievance is filed, the aggrieved and the Superintendent shall meet to resolve the grievance. The Superintendent shall file an answer within twelve (12) business days of the Second Step grievance meeting and communicate it in writing to the party and the Principal.

3. THIRD STEP

In the event a grievance has not been satisfactorily resolved at the Second Step, the aggrieved teacher may file, within seven (7) business days of the Superintendent's written decision at the Second Step, a copy of the grievance for review with the Board of Education. Within eighteen (18) business days after such written grievance is filed, the aggrieved and the Board of Education shall meet to resolve the grievance. The Board of Education shall file an answer within eighteen (18) business days of the Third Step grievance meeting and communicate it in writing to the party, the Principal and the Superintendent. The association and/or the Teacher(s) shall not present any material, allegation, or remedy that was not presented in Step Two.

4. FOURTH STEP

If the grievance is not resolved satisfactorily at step three (3), there shall be available a fourth step of binding arbitration. The Association may submit, in writing, on behalf of the Association, a request to the Superintendent within thirty (30) business days from receipt of the Step Three answer to enter into such arbitration. The arbitrator shall be selected from the American Arbitration Association in a manner as follows: The Voluntary Labor Rules of the American Arbitration Association then pertaining shall be followed in the selection of an arbitrator.

The cost of the arbitrator shall be borne equally between the Association and the School Board. Should either party request a transcript of the proceedings, that party will bear the cost of the transcript. Neither party to the grievance will be permitted to assert grounds not previously asserted before the Board of Education. Each party shall be entitled to representation and witnesses. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the parties, and his/her decision must be based solely upon his or her interpretation of the meaning or application of the express language of the Agreement. The arbitrator shall have no power to alter, amend, modify, nullify, ignore or add to the terms or provisions of the Agreement.
